

William GUÉGAN

Engineering student in Computer science
Toulouse INP - ENSEEIHT

Profile

I'm William GUÉGAN, an engineering student in Computer science at ENSEEIHT in Toulouse, France. I'm passionate about computer hardware in general, and I'm interested in sustainable software and long term support for devices.

Education

Present ↑ 2026

Toulouse INP - ENSEEIHT

Computer science engineer

2026 ↑ 2021

Lycée du Parc

High School, CPGE

Scholarship

- Classe préparatoire aux Grandes Écoles
  - MPI
  - MP2I
- Baccalauréat général
  - Math
  - Expert math
  - Computer science

Projects

2026

Correction of image distortion

During the 2026 session of the national entrance exam in engineering schools, I developed a program that fixes the distortion of an image following the invert model of distortion with only the k_1 parameter.

Engagement

2026

Tutor at a high school

I'm currently a tutor at the Lycée Professionnel Rolland Garros in Toulouse to help high school students in their educational guidance.
